a Victory.

KANSAS CITY, Nov. 5-[Special]-The Republican candidate for Governor is beaten, and six out of seven Republican Congressional candidates are defeated. Senator Ingall's re-election is a subject of grave doubt. That is the situation in Kansas. There was a land slide, a regular avalanche, in Kansas. Eighty-two thousand Republican majority was overwhelmed by resistless force and buried beneath its destructive

weight.
The Farmers' Alliance did it, and it was a genuine surprise. The Kansas delegation will stand, Repub-Ransas elects a Farmers' Alliance
Democratle candidate for Governor.
The New York Legislature will be
either a tie, or the Democrats will have
a majority of one or two votes. A Democratic Senator will therefore succeed
Evarts.
The next House of Representatives
will be Democratic by from forty-five to
sixty.

Kansas delegation will stand, Republicans one, Democrats one, Farmers'
Alliance five. Another surprise lies in
thd psssible defeat for re-election of
Senator Ingalls. The Farmers' Alliance and Democratic Senator will therefore succeed
the publicans.
The result is the certain election of
ninety-five Farmers' Alliance and Democratic Legislators, against thirty Republicans.

The Republican committee claims that on a joint ballot in the Legislature Ingalls will have a majority.

The Democrats probably have the largest majority on record in the lower house, having not less than one hundred members against the seventy-eight last year, and from seventeen to nineteen
